All games must end on time whether they start on time or not. If any of your games' start times are delayed, the game time will be reduced accordingly. There are no period breaks or stoppage time added for delays, injuries, substitutions or water breaks. The clock will run continuously with games ending on-time.

Thanks to all the coaches, referees and volunteers that have made this a successful season. Early registration for Fall season registration is open and is only \$150 if you register before June 15. Register at: [www.LaneYouthSoccer.org](http://www.LaneYouthSoccer.org)
